Re: DOCKET NO. 2007-414-WS – Application to Change the Name of Haig Point Utility Company, Inc. to Daufuskie Island Utility Company, Inc. and for Approval to Maintain the Books and Records of the Utility at an Out-of-State Location

Dear Mr. Terrini:

I am requesting on behalf of Haig Point Utility Company, Inc. ("Company") an extension of time in which to comply with your directive dated August 29, 2008 to publish a notice in newspapers of general circulation and to individually notify each customer. Your directive required that the notice be made on or before September 9, 2008.

Although the closing of the transfer of the Company occurred on July 9, the transition of the books and records, and billing systems has taken longer than anticipated. As the new manager of the Company, we have just recently coordinated with the previous management, International Paper, and the outside billing company it has been using, to obtain and use the billing information necessary for us to accomplish a mass mailing to all customers.

We are now prepared to send out the notices and arrange for newspaper publication. I apologize for this delay.

Respectfully submitted,
G₂ Utility Management, LLC
